True Friendship

Whether at a formal meeting, volunteering for a special event, a Friday night get together or joining the softball league. Jaycee members have many opportunities to congregate and socialize with other young business people in the area. Often times these interactions result in life long business and personal friendships.

Business Development

The Davenport Jaycees come from a variety of business sectors and are not limited to Davenport or Iowa residents. Networking is essential when strengthening your influence in the community. The Jaycees aim is to assist you in the growth of your professional and personal lives. One of our goals is to develop the future leaders to the Quad Cities today.

Individual Development

The Davenport Jaycees are about getting involved! We have developed programs providing hands-on experiences for members to heighten their leadership and communication skills. From setting

budgets to speaking to the media, Jaycee members are honing their skills for the business world. These skills provide life long strategies and career building tips to help you become successful in your career path.

Community Service

The Davenport Jaycees have a long history of creating new and inventive ways to give back to the community. Projects include the annual "Jaycee Santa" where we buy, wrap, and deliver approximately 3,000 toys to over 900 needy children. We have an annual "Turkey Trot" where we purchase and serve Thanksgiving dinner to around 300 elderly people. In addition, we hold an Easter Egg Hunt for foster and shelter children every spring.

With fundraising projects like the Jaycee Bridal Expo and Haunted house, The Davenport Jaycees give thousands of dollars each year to local charities, such as

Big / Big Sisters, Court Appointed Special Advocates (CASA), Rebuilding Together, Special Olympics and The Girl Scouts, just to name a few. Recently the Davenport Jaycees funded a new baseball field (Jaycee Field) for Davenport North Little League.
